

Technical drawing of the front view of the 1200 Series 12-Port Rackmount Patch Panel. The drawing shows a rectangular unit with a 4x3 grid of 12 ports. Dimensions are provided: overall width 280, overall height 232, and a central section width of 240 and height of 164. A callout '2' points to the top edge of the central section.

A technical drawing of a rectangular metal enclosure, likely a control cabinet or a power supply unit. The front panel is closed and features a grid-like pattern of vertical bars. A handle is located at the bottom center of the front panel. The enclosure has a thick, heavy-duty appearance with visible mounting points and a locking mechanism on the right side. The drawing is a top-down or front view, showing the overall shape and key components.

※本体色:SNBは「黒」、SNWは「白」
※照明器具の消費電力はJIS C 8105-3試験方法による。
